

## WHY JOIN US

THE BOLTONS ASSOCIATION is a thriving organisation, active within the local community. The benefits of joining come from our ever growing voice and the influence we have with the council and other regulatory bodies. Everyone who lives within the designated area is welcome and can enjoy the opportunity to meet other residents and discuss local issues.

Members are invited to the AGM in the Spring and the Autumn Meeting. At both we have talks by a speaker who is an expert in some aspect of London life. We regularly hold a Summer Party for which a small charge is made to contribute to the costs.

The Association is a registered charity and subscriptions are eligible for tax relief under the Gift Aid Scheme. The annual subscription is £10.00 per person payable on 1st January, although donations in excess of this are welcomed.

If you would like to join the Association please complete and return the enclosed form. For more information please go to our web site [www.TheBoltonsAssociation.org.uk](http://www.TheBoltonsAssociation.org.uk)  
To find out who is your Street Representative please contact the Membership Secretary whose details are on the enclosed application form or by email [info@TheBoltonsAssociation.org.uk](mailto:info@TheBoltonsAssociation.org.uk)

## WHO WE ARE

THE BOLTONS ASSOCIATION was formed in 1970. At our core is The Boltons Conservation Area, one of the most attractive conservation areas in London stretching from Old Brompton Road south to Fulham Road and from Roland Way west to Finborough and Ifield Roads. As illustrated on the map however, the Association's main area of concern extends only to Redcliffe Gardens and Redcliffe Square.

We live in a very special area, characterised by its distinctive architecture and pleasant environment. Whilst we welcome appropriate development and change, we hope to conserve this character.

We are an independent and non-political association. We are managed by an elected committee together with the local Street Representatives who liaise between the members and the committee.

OUR ASSOCIATION is concerned with issues which affect the lives of everyone living in the area and we are a recognised and respected voice.

Our aims are to

- protect and improve the quality of our environment
- maintain high standards of architecture and town planning
- stimulate public interest in and care for the beauty, history and character of the neighbourhood
- encourage preservation, development and improvement of features of general public or historic interest.

Our views are regularly sought by the Council on a variety of matters when formulating policies that affect our area. These issues include licensing, traffic, parking, pollution, trees, crime prevention and property development - considering and commenting on over 100 planning applications each year.
